Research Interests

- Machine Learning
- Generative AI
- Generative Adversarial Networks
- Data-Centric AI
- Deep Learning
- Cyber Security

Courses Taught

- Machine Learning
- C Programming
- Java Programming
- Database Management Systems
- Computer Networks
- Cryptography and Network Security
- Web Development
- Distributed Computing
- Linux Administration

Professional Engagements

- Mentored numerous students for internships in machine learning and web development.
- Attended the International Seminar on Advances in AI and Machine Learning (AMU Aligarh, 2021).
- Online Faculty Development Program on Soft Computing Techniques (NIT Srinagar, 2020).
- Reviewer for many journals and conferences.

Professional Engagements (continued)

- Workshops attended:
Internet of Things (2017, Intel Technologies, IUST Awantipora).
Cryptology (2016, CRSI and Central University of Rajasthan).
Network Security (2012, BGSBU Rajouri, J&K)
